

# GROUND DUTY REQUIREMENTS

To ensure the club is run successfully we require assistance from all parents/players.

Duty time will generally vary;

Saturday morning 1.5-2 hours

Saturday lunch time or afternoon 2-3hours

Sunday 3-4 hours

If you are unsure of what's required please speak with a committee member, the committee duty person can be found easily wearing a Pink vest.

## **CANTEEN & BARBECUE**

Each team is rostered a few times during the season to help in the canteen & work the barbecue.

Generally, 2 people are required for both (2 x canteen and 2 x BBQ). However, Saturday mornings are generally busy and will require an additional 1 or 2 people.

The last team on Canteen & BBQ duty will be required to Clean the BBQ and BBQ Equipment.

Please note children under the age of 16 are not allowed in the canteen or on the barbeque. (Due to insurance requirements this rule will be enforced).

Parents with small children are quite welcome to have them play in the Club Room, however no bikes or balls will be permitted.

## **GROUND CONTROL**

The Association requires clubs to appoint a Ground Controller to each field in use in addition to an official in the Ground Control room (this official will be from the Management Committee).

This means at Anzac Oval we require 3 or 4 on a Saturday morning and 2 or 3 Saturday afternoon & Sunday.

This person is responsible for liaising with the official in the Ground Control room should there be any issues such as a Referee not on field, etc. If any issues arise and assistance or guidance is required, please refer to the person on Committee Duty.

Ground Control may also be required to keep spectators behind the Red lines during the day.

Competition Teams (U12 and over) are required to provide 1 volunteer to wear an orange jacket and be the Ground Controller for that field during their game monitoring the behaviour of their team's spectators.
