Take all reasonable steps to minimise the number of spectators attending community sport events.	<p>We will communicate with our membership that spectators should be restricted to essential people only. If sufficient numbers to field teams cannot be achieved, prioritise delaying the game/event rather than substituting with people from other teams	<p>All players participating in a team must comply with all relevant competition rules and regulations relating to registration and eligibility. Our club is aware that fielding unregistered or ineligible players will lead to possible sanctions via existing disciplinary processes and procedures.</p> <p>In the event that our club is unable to field the minimum number required to take the field, we will contact our competition administrator immediately to discuss forfeiting, cancelling or postponing the match.</p>

REQUIREMENTS	ACTIONS
<b>PHYSICAL DISTANCING</b>	
Ensure the number of people in a facility does not exceed one person per 4 square metres (including staff and spectators):	<p>Competition Administrators and club officials have considered the number of participants and fixtures so as to adhere to the maximum of 500 people per venue at one time.</p> <p>EEFC: Realigned fields to reduce capacity 4 U8/9's down to 3.</p> <p>Where team benches are permanent (fixed), we will limit the total number of seats to endeavour to ensure a minimum of 1.5 metres between each member of the coaching staff and substitutes.
