REQUIREMENTS	ACTIONS
PHYSICAL DISTANCING	

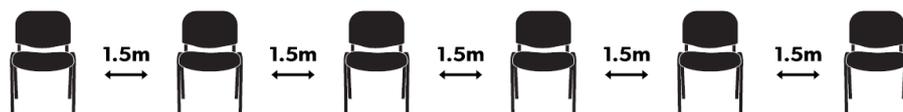

Ensure the number of people in a facility does not exceed one person per 4 square metres (including staff and spectators):

We have considered the number of participants and fixtures to minimise the number of attendees in/on the venue at one time.

Where team benches are permanent (fixed), we will limit the total number of seats to endeavour to ensure a minimum of 1.5 metres between each member of the coaching staff and substitutes. Where possible, we will mark seats with masking tape and if necessary, provide additional seats to extend the length of the bench.

Where team benches are made up of plastic/other moveable chairs, we will endeavour to position them so they are at least 1.5 metres apart. Further, where possible we will place signage in technical areas promoting social distancing and reposition the chairs at the required distance between matches.

*EEFC: Included in Club Guidelines which was posted on Website and emailed to all Coaches/Managers, Players/Parents & Committee
Team Benches taped/marked as required. Additional Plastic Chairs to be provided on sidelines to supplement existing benches. Subs separated on different sides of field and plastic chairs positioned accordingly. Spectator seating taped/marked as required to indicate 1.5m Social Distancing rule
Room signage indicating capacity under 4m² rule.*

Minimise co-mingling of participants from different games and timeslots where possible:

Competition Administrators have scheduled matches and we have arranged training days and times to minimise contact, cross-over and avoid unnecessary gatherings of players, family members and staff.

We will schedule time between games/training sessions when possible, to enable all attendees to arrive and exit the venue safely, with minimal contact with others.

We will communicate with players and team staff to encourage personal equipment and bags are arranged to maintain physical distancing of participants (> 1.5 metres) and separation between teams.

Where possible, we have identified separate entry and exit points to the venue via signage and communicated this to participants and parents/carers.

Game Days, reduced number of games on fields and delay start on mini roo field to avoid overcrowding.*
